629 South Hill Street, suite 302, Los Angeles, California 90014

Telephone: (213) 689-9757 Email: info@glsla.com Web: www.glsla.com

Date: July 16, 2014

Property: To Whom It May Concern

Address:

This appraisal contains a description of the characteristics of the natural diamonds/colored gems based upon the application of the grading techniques and equipment available at our gemological laboratories and used by GLS at the time of its examination. In making this document, we do not agree to purchase or replace the articles. All statements are true to the best of the appraiser's knowledge, and are bona fide opinion which may vary from person to person based upon his or her experience. Both the appraiser and GLS have no interest in the item/s in the past, present or future. The inspections and effective date is that of the document and any values expressed are determined at that time using GLS and standard industries practices and pricing formulations to recreate the item/s. The purpose of this appraisal is to provide sufficient support in the event of a proof of loss or damage. Weights and measurements are approximate as grading allows, within tolerances excepted by the trade. GLS shall not be liable for any loss, damage or expense resulting from any error in or omission from this report.

Appraisal No: A22915071614
